

**NSOATREMAN RURAL BANK LTD**  
**KEY PERFORMANCE INDICATORS TREND.**  
**AS FROM 2007 TO 2018 FINANCIAL PERIOD.**

Considering the financial state of affairs of Nsoatreman Rural Bank Ltd as an institution the bank periodically evaluate the operational trend of some key important performance indicators.

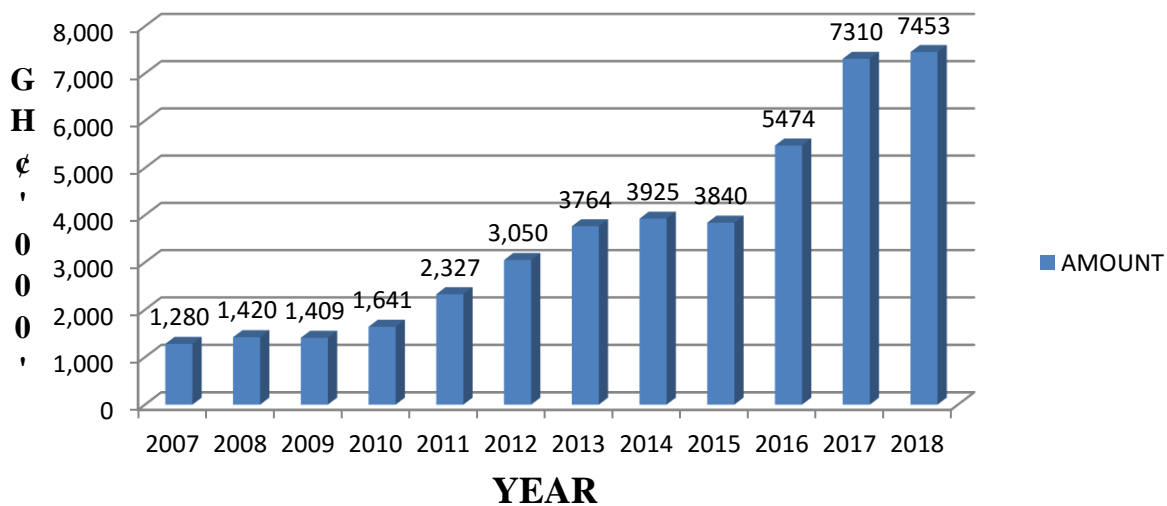

In view of this the Central Accounts has come out with some statistical data with graphs showing the growth trend for assessing its performance from the period from 2007 to 2018.

The objective was to guide the bank to continue to pursue massive share and deposit mobilization, follow stringent cost reduction policies, strengthen internal control measures and develop the human capital to meet demands of functioning profitably in the competitive environment (Banking Industry).

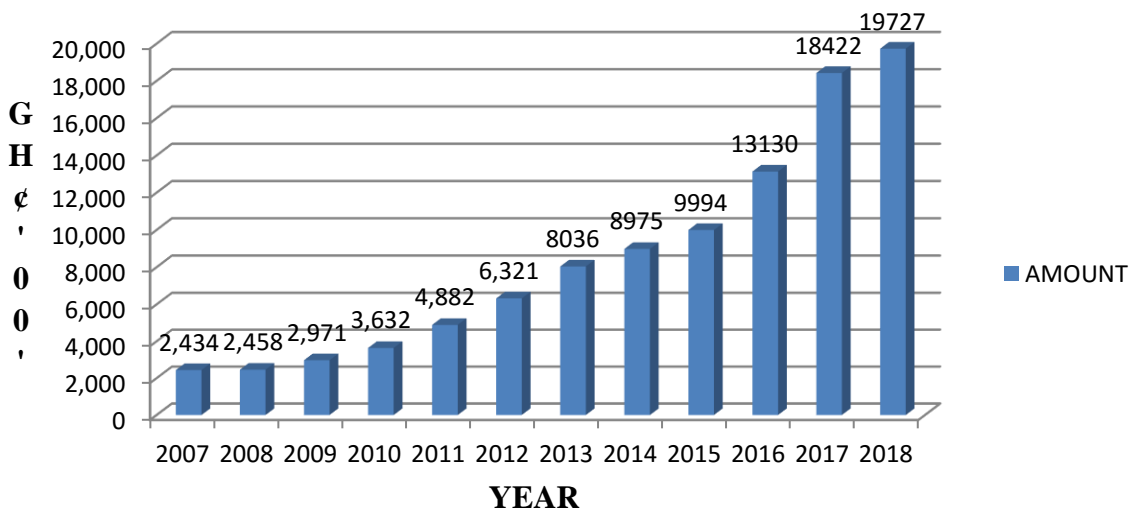

These will improve and enhance the bank's objectives.
